

BL COACHING PROGRESSION FEEDBACK PROTOCOL

<p>Step 1 Praise (1-2 mins)</p>	<p>Praise Narrate the positive</p> <p>If it is an initial observation, this would be a time for general reflection of how the teacher felt about the model implemented/response to google form [if previously filled out].</p> <p>Or</p> <p>If goal has been set Last time we set a goal of _____ and I noticed in my most recent observation how you [met goal] by [state concrete positive actions teacher took]. What made you successful? How did it feel?</p>
<p>Step 2 Progression Pause (1-2 mins)</p>	<p>Progression Pause Check for understanding</p> <p>-Identify which BL model the teacher was leveraging in the classroom. ("I observed you/your students doing _____ so I believe you were implementing _____ BL model. Is this the model you were intending to use in the lesson I observed?"</p> <p>Share where you paused on the progression.</p> <p>Reframe the step on the progression as something you observed in action</p> <ul style="list-style-type: none"> - Share a picture or artifact from the classroom that helped you pause on this step.
<p>Step 3 Inspiration for Next Steps (3-5 mins)</p>	<p>Inspiration for Next Steps Use a question to begin to identify a high leverage, measurable, bite-sized next step <i>Use one prompt below to help craft a question</i></p> <p>Teacher-driven Teacher self-identifies the polish area/problem: Yes. What, then, would be the best action step to address that problem?</p> <p>More support Ask scaffolded questions: How did your actions attempt to _____?</p> <p>More leader guidance BL model goals? Do you remember what happened in class when ___? [Teacher then IDs what happened] What did that do to the class/learning? What happened at this moment?</p> <p>Leader-driven; only when other levels fail State the polish area/problem directly: [State what you observed and what action step will be needed to solve the problem.] How is this different from what you do in class?</p>
<p>Step 4 Co-Create Plan (3-5 mins)</p>	<p>Co-Create Plan</p> <p>What steps could you take to implement this into your class?</p> <p>What support or inspiration do you need to implement this next step?</p>
<p>Step 5 Follow up (1-2 mins)</p>	<p>Follow up</p> <p>When would be best to observe your implementation of this plan? <i>Be sure to schedule the next observation before the meeting ends.</i></p>
